Re: **Notice for weight restriction change for Taiwan highway**

Revised weight limitation for Taiwan as to below that was be imposed from the 1st of July, 2017.

- **Dry: 28.5Ton + 0.5Ton (for commercial decision) = 29 Tons (cargo + tare) as the Max allowed wt.**

Over 29 tons (cargo + tare) subject to L.O.I. (S/ or C/ liable to the Fine)

- **RF: 27.5Ton + 0.5Ton (for commercial decision) = 28 Tons (cargo + tare) as the Max allowed wt.**

Over 28tons subject to L.O.I. (S/ or C/ liable to the Fine).

- ✚ Paying for penalty impose by Taiwanese Government cannot be green light for over-weight CGO.
- ✚ LOI should be collected from both the shipper and the CNEE.

Your fully understand and kind cooperation is highly appreciated,
